

The Legend of Tornado Tess

Author Amy Cole wants more than to write a story she wants to live one. Her chance comes when she's asked to help clear a doctor of murder. Amy's investigation takes her to Little Babylon, a bandit stronghold in the wasteland of New Mexico. Meanwhile, Whitney Scott is on the trail of a band of killers and meets Amy before they arrive. She suggests they work together, but Whitney is soon being stalked by an unknown assassin. With the king of Babylon in hot pursuit of Amy and a killer running loose, she becomes less concerned with her investigation and simply hopes she and Whitney both survive!
