

Hanging out in the Garage

Working in his closed repair garage, Mike gets an evening visit from his boyfriend Karl. After carryout dinner, and the certainty they won't be interrupted, Karl makes a request: Make it rough with no limits. Mike is eager to comply, letting his sadistic streak out on his lover for the first time. Karl is put into bondage for some sexy fun. Then Mike puts him under the car lift with a chain connecting his neck to the rack overhead. With a finger itching to push the up button, how far will Mike push Karl with torment and fear? Find out in this gay adult tale of sex, bondage, peril play, fire play, breath control, and romance.
