

Harvest

Harvest continues the story of the family of the wealthy Paul Werner, last met in Tapestry, also available by Brilliance Audio. The novel centers around Iris, the daughter of the beautiful passionate Anna from a secret love affair with Paul Werner. During the turbulent 60s, Iris and Theos fragile marriage begins to falter, while their son Steve, a student at a midwestern university, comes under the say of the charismatic and radical son of Paul Werners niece, Meg. It is in these already difficult times that Steve unwittingly starts a chain of events that throws the family into emotional chaos. Paul, consumed by a lifelong secret he will never divulge - that of Iris true parentage - helps this trouble family, and in so doing is finally able to find happiness for himself.
