

## A Womans Soul Reflections

A Womans Soul Reflections is a selection of Marias poems that tell the story of her life, marriage, and motherhood; the ups and downs, the joys and struggles that are part of every womans journey. Marias poems are paired with photographs taken by Sally during her travels around the world. Our book is dedicated to the women in our lives who have encouraged us to pursue our dreams. Maria & Sally About the author and photographer: Maria Weaver was born and raised in San Jose, California where she lives with her husband of 34 years.
