

Heart of the Bighorns

Sheridan, Wyoming, the sort of Main Street U.S.A. town that you would see in a magazine and where Dr. Shea McKinnon grew up. After the death of her beloved grandfather, its time to go home and continue her oncology practice there. Her career is on track, and and when she least expects it, her love life takes flight too. Brought together by an exuberant golden retriever, Shea McKinnon and Police Officer Sarah Sparks embark on a journey that takes many unexpected turns along the way. When the good doctor becomes the cancer patient, she develops a whole new respect for her patients. The question is, can a new love survive the bumpy road ahead?
