

Her Fathers Daughter

Soon after Sarah Nolan arrives in Cork, she befriends sixteen-year-old Lucy, who has been left abandoned and pregnant. Dan Madden, a charming and flirtatious journalist, wins Sarah's heart. He promises to end his relationship with Ruth, but can Sarah trust him to keep his word? It is when the editor asks to see her birth certificate that she discovers some long-hidden secrets. Will Dan stand by Sarah in her time of need? Will Sarah be able to help Lucy keep her baby? Or, will the secrets destroy Sarah and everything she dreams of for her future?
