

## Capital City Hoes: Backdoor Action

Tallahassee, FL is known to breed some of the most conniving women in Florida. With just a small town, only one area code and too many hoes in one zip codes, its not uncommon for someone you know to get caught up with someone from your past. Meet Kandi, Rittney, Esha, Damonica and Penny - these ladies all live different lives with one thing in common: the dudes they sleep with interchangeably. Kandi finds herself trying to put her family back together before it falls apart. Esha just wants a man of her own and to be accepted for who she is. Rittneys bad decisions will place her in some sticky situations, some she may not get out of. Damonica is the fertile chick who must decide to walk her own path or succumb to the life she tries to portray. Penny poses a threat to everyone in the city, even herself. Will these ladies make better decisions for their future or will all their paths cross and leave some locked out of the back door forever?
