

i ate a rainbow for breakfast: poems and performances

The poems in *I Ate a Rainbow for Breakfast* are honest, raw, and full of passion. There's an urgency in Joanna Crowell's voice, whether she's describing something as sweeping and profound as the history of African Americans or something as personal as a fight with a lover or a gynecological procedure. These poems stop you in your tracks and make you take a long look at yourself and the world around you with new-found wisdom and tenderness. Marjory Wentworth, Poet Laureate of South Carolina Whether she is waxing academic, historic, or mystic, her poems are always candid and full of a sensuality that knows how to hold a hand. Like Lorde and Sanchez, Joanna Crowell runs unapologetically with the wolves. *I Ate A Rainbow for Breakfast* is a personal odyssey of spellbinding beauty and plainspoken action. Kwame Alexander, *Dancing Naked on the Floor: Poems and Essays*
