

Id Biscuits

One sign said, Welcome, the other No loitering, so I knocked, but didnt stick around. I called this book Id Biscuits. Id as in, the inner child, which I fully let run wild. The inner hippie wanderer protester artist is reflected in this book, as it was in my previous work, Poet Loiterer. This could almost be seen as a sequel to that book. It contains topical poetry, autobiographical poems, spiritual poems, and story poems.
