

Ransom Island

Its 1953 and life is good at Shadys, the Sweetwater brothers fish camp, dancehall, and beer joint on Ransom Island. The biggest event in the islands history is coming upon integrated dance featuring Duke Ellington. Its a daring idea for fifties-era Texas, and not everyone is happy about it. But soon interracial dancing becomes the least of the Sweetwaters problems. Galveston mobsters track a runaway girl to Shadys and decide the offbeat island is the perfect place to diversify their illegal rackets . . . And God help anyone who gets in their way. Suddenly, life on sleepy little Ransom Island becomes crowded, complicated and very, very dangerous.
