

The Market Value of Trust (Cassandra and Lucy Book 1)

Fast paced thriller full of guns, fast cars, drugs and sex! **WARNING:** adult language, themes of violence, sadism, sexual violence and drug abuse. Cassandra knows there will be trouble when her childhood friend from England comes to visit her in Los Angeles. Lucy is hedonistic and reckless with a talent for causing mischief and leading others astray. Meanwhile Cassandra whilst cool and organised has deadly work of her own to be getting on with. Inspired by GTA the novel focuses on the more nefarious residents of Los Angeles. There is plenty of action, shootouts, planned heists, stolen cars, drug dealing and money laundering.
