

In Her Element: Poems

In Her Element is a collection of 60 poems in which award-winning, contemporary, Maltese author Therese Pace tackles the daily vicissitudes of modern life with the fluidity and skill of a master. From Garden Dwarf to Growing Tall, to Orizons of a Disgruntled Citizen and beyond, Pace employs the mighty power of words to convey an unlimited source of expression and emotions. Called an artisan of the word, a craftswoman, a wordsmith, in these poems Pace presents words that go beyond utterance and meaning, generating a long-lasting echo in the readers heart, mind and soul.
