

Black Lightning

For five years Seattle journalist Anne Jeffers has pursued the horrifying story of a sadistic serial killers bloody reign, capture, trial, and appeal - crusading to keep the wheels of justice churning toward the electric chair. Now the day of execution has come. A convicted killer will meet his end. Anne believes her long nightmare is over. But shes dead wrong. . . . Within days, a similar murder stuns the city. As the butcher stalks his next victims, creeping ever closer to her, Anne is seized by an icy unease, a haunting sense of connection to these unspeakable crimes. And, relentlessly, she hears the eerie echo of the dead mans last words to her: Today wont end it. How will you feel, Anne? When Im dead, and it all starts again, how will you feel?
