

Whiteout (Italian Edition)

Un racconto di 47 pagine (56 totali). Il Comandante Gianni Gualandi e un bravo e orgoglioso pilota dellelissoccorso. Durante una missione operativa, causa il cattivo tempo, ma anche per sue decisioni errate, e costretto a un atterraggio di emergenza in condizioni di neve turbinante che gli impedisce di vedere allesterno a causa delleffetto di whiteout. Nessuno si fa male e elicottero non si danneggia ma, in attesa che le condizioni meteorologiche permettano di ripartire, tutto lequipaggio rimarra bloccato in alta montagna. Durante la notte il pilota incontrera animali mitologici e Antoine de Saint-Exupery con i quali discuterà sui valori dellamicizia e dellumilta. Un sogno o degli incontri resi possibili dalla magia della luna piena in quel luogo fantastico?
