

Poetically Gifted: Uplifting Your Mind, Body, And Spirit

This book opens your mind to different actions in your life, whether it is love, inspiration, passion or just life in general. This book will give you different outlooks through Poetic expression that come from the trials and many aspirations of life that I have not only experienced myself as well as others and it is my hope to bring peace, love, and happiness into the hearts of those that read this book. Uplifting someones spirit is difficult to do but with an open mind and heart, achieving this is only pages away.
