

The Lesbian Adult Baby Slave: Book One: Lesbian Forced Regression and Age Play

Cindy is a recent college graduate who, like many other students, finds herself burdened with debt and a degree that cant seem to score her a job. Her problems all seem to be solved when she finds a job advertised online working as a private companion to a middle aged woman who will pay her well. When she shows up for the interview, however, she discovers that the job is to be the womans adult baby for an entire year. Karen, the woman she is to work for, will pay off all of her debts and give her \$20,000 in exchange. However, she must allow herself to be forced into regression, as well as sexually pleasure her new mommy. Deciding that she has no choice, Cindy takes the generous offer, and starts down the path to her life as an adult baby. Karen, however, is not sure that just one year will be enough. **WARNING:** This book contains graphic descriptions of diaper use (both wetting and messing), forced age play, forced regression, sexual content, adult breastfeeding, and bondage. It is also somewhat on the darker side. If such themes or situations disturb or offend you, it is strongly recommended that you do not purchase this book.
