

Juliet in August

Juliet, Saskatchewan, is a blink-and-you-miss-it kind of town—a dusty oasis on the edge of the Little Snake sand hills. Its easy to believe that nothing of consequence takes place there. But the hills vibrate with life, and the town's heart beats in the rich and overlapping stories of its people: the rancher afraid to accept responsibility for the land his adoptive parents left him; the bank manager grappling with a sudden understanding of his own inadequacy; a shy couple, well beyond middle age, struggling with the recognition of their feelings for each other. And somewhere, lost in the sand, a camel named Antoinette.
