

A Blanket Conspiracy (Sophies Bluff Mysteries Book 4)

Quilt pieces are beginning to come up missing in and around the small community of Sophies Bluff. The puzzling factor is that none of the members of the quilting club remember hearing or seeing anyone near their homes or the quilting shop where their craft was being done. And why would anyone want to steal unfinished quilt blocks? This is why the local law enforcement officers are reluctant to pursue the matter, believing that the ladies have simply mislaid the fabric. Reporter Jamie Coombs and her friends however, feel that there is more to this little mystery, and are curious as to why this would be happening. Can they figure it out who the thief is before the entire quilt disappears, and find the missing pieces as well? Or is this some kind of blanket conspiracy?
