

Saving Suzanna (Kohélet Young Bear Series Book 4)

Who would have ever thought this modern day Paiute Indian Special Forces warrior, Recon, would come home from war, and he would find himself and all of his extended family inextricably caught up in such lethal implacable forces in today's America? This first book of a major new series by Monaghan Wit is a page turner of the first order and based upon very real science, happening as we speak. Editor. Freelance Writers Guild
