

Lesbian Lickers: A European Sexual Adventure

Considered to be a classic in European lesbian literary erotica, this pulse-racing XXX-novel is the story of two wealthy married young libertine women in modern England who discover the joys of lesbian sex and embark on a whirlwind sexual journey of orgasmic pleasure and fulfillment! Detailed explicit sexual scenes. EXCERPT: Deidre licked her lips -and the tip of her tongue rubbed momentarily, electrically, against Kendras cheek. The girl trembled. It was only an accident, she told herself. Only an accident! Dont jump to conclusions! But Deidres breasts seemed to press more firmly against her arm -resting heavily on Kendras bare flesh. She felt her heart beginning to race again ... Thats much better, Deidre whispered. This is what you wanted, isnt it? Isnt it, Kendra? Yes... Kendra heard herself saying. (Straight sex, lesbian sex, oral, three-way, orgy) About The Author: Karla Foxworthy Welles is a UK based writer of erotic fiction.
