

Last Stand At Coyote Yelp Pass: The Tragic Cowboy Memoirs Of Bucky Laroo

This book is about the night that Hollywood action star Max-Ram Target saved my life. (At least thats what my publishers tell me). Truth be told, this book is my memoirs. Im not sure why, but my life on Cattle Poke Ranch has taken me to a lot of places that you may not even want to know about. But if your curiosity is piqued by such things as Killer Cows, smug movie stars, amorous pop stars, East German assassins, hang-gliders, and potato guns, this just might be the book to buy. Hi, Im Bucky Laroo.
