

## The Mistress of Rosedale

Rare is the happy couple whose sexual proclivities perfectly match, one with the other. For every sadist seeks a masochist; each dominant, a submissive; voyeurs, exhibitionists -- all instinctively searching for that unique someone to fill the void, to provide ultimate sexual fulfillment. The Mistress of Rosedale is the story of such a pair. Edward, an aristocratic connoisseur of sexual perversions, resides in baronial splendor at Rosedale Manor; at his side the haughty and beautiful Lady Penelope, an insatiable woman whose lustful demands know no bounds. Together, they shamelessly indulge each others sexual peccadilloes, reveling in licentious decadence behind the walls of the big house on the hill.
