

Operation Red X

Operation Red X is a work of fiction Contemporary Fiction, Political Thriller. The Author draws on his diverse experiences, knowledge and observations gained from private business, global government service and life to create Operation Red X. The plot evolves over the course of a month with the systematic assassination of all the members of the Presidential Cabinet to eliminate the succession to the Office of President so the President of the United States of America can have a third term. The Assassination Team, through a False Flag Operation, implicates the Republic of Poland as the perpetrator of Operation Red X. Out of the Embassy of Poland, in Washington D.C., a team of hotshot investigators are assembled to counter the threat to the National Security of the Republic of Poland. Without warning, the Assassination Team turns Operation Red X into the United States of America Caliphate.
