

Matters of the Heart: The Windy City Hart Series

The elusive ladies man, Deon Hart, finally encounters the one woman that wont give him the time of day. Hes befuddled by just how the thought of her makes him come alive. So when the opportunity presents itself, he devises a plan to hopefully win her over. The heartache that Indya Farrow endured at the hands of her ex-fiance has closed her off from any and all relationships. Even though she yearns for Deons touch, she cant allow him to break down her defenses; otherwise he might discover her well hidden secret. Once her secret is out, will their love affair be over before it even begins?
