

## M.I.A. Hunter - Desert Death Raid

BLOODSANDSLAUGHTER! It looked like an easy job for Mark Stone and his men. The presidential party of a small African nation was being held hostage by a savage band of cutthroat rebels and all Stone had to do was go in and get em out. A piece of cake until the rebels forced their chopper to crash-land in the driest, deadest patch of land on Earth. Now, in a barren desert overrun with bloodthirsty nomads, Stone and his team must lead the presidential party to safety. Its a long, hot, torturous death-walk without food, water, or camouflage. And the only thing theyve got plenty of is guts and a rebel army of killers on their tails! Its just the perfect do-or-die mission for someone like STONE: M.I.A. HUNTER He made a difference in Southeast Asia. Now his most electrifying adventure!
