

The Middle Man: Romance Erotica

“Even now, I have to compete with him for your attention...?” Macey, Michael and James have been together all their lives. Macey and Michael were considered a cute couple, while James was like their adopted little brother, whom Michael always looked after. After Macey and Michael get married, Macey convinces her husband to move far from where they grew up to lose the third wheel who always seemed to compete with her for Michael's attention. But even away from James, he is like the third, unseen presence in their marriage - especially in the bedroom. Things are not going great for the couple. But when she gets pregnant with their first child, Macey discovers a secret that would change their lives forever, and a little shift in perspective would soon unite the 3 friends in a way Michael never thought would happen... Presenting the much loved prequel to “The Middle Man”...A Glimpse of Joy Great news!!! Erick Heslove fans will be delighted to know that Part 3 of this series is expected to be out this November...
