

## Lovingly Yours

Catalina Asianna Devoruex lives a dangerous life--as a corporate raider. Being at the top of the raider world for five years, Catalina is looking forward to her next adventure. She partners up with the most ruthless businessman in the music world, Troy Conners, to raid Hall Entertainment. Intrigued by Michael Hall, Catalina disregards many warnings, and accepts Conners offer and goes into Hall Entertainment as Asia Baxton. Michael Hall tragically lost his wife six years before, leaving him with a successful business, a daughter Ariel to raise, and him angry at the world. Michaels anger goes to a new level before Asia Baxton steps into his building. Will Asia destroy Hall Entertainment and Hall with it or will she help him despite his hatred toward her? Will Michael allow his past angers to continue to dictate his life or will he learn to forgive and finally live?
