

Sensual Winds (Mills & Boon Kimani) (Mother Nature Matchmaker, Book 3)

Giving her boss's fiancée the kiss-off isn't in Doreen Fleming's job description. But when she meets the soon-to-be ex, gorgeous real estate developer Lucas McCoy, Doreen knows she's headed for a storm tide of trouble. Building his dream house isn't the same without someone to share it. Doreen may be just the messenger, but she's unleashing a tempest inside Lucas that's tempting him to risk his heart again. Then a hurricane hits, stranding Lucas and Doreen in the house of both their dreams. As the winds howl outside, the passion rages inside, hotter than the sweltering summer night and twice as explosive.
