

The Gift I Bear (Volume 1)

Alexander Johnson was an ordinary man, not unlike so many others. He was a husband, a father, and a friend to many and lived a rather mundane life, working as a funeral director for a small-town mortuary. All this changed, however, as the result of a clumsy accident and a mysterious gift which rendered him selectively psychic. Suddenly able to hear the deceased speak, A. J. finds himself in a quandary as to how he will use the gift he has been given. Will he tell the families of their loved ones requests? Will he make known the gift he possesses? Follow along as A. J.'s story unfolds. Often times humorous, sometimes sad, *The Gift I Bear* will keep you reading until the intriguing ending.
