

My Brilliant Career (Virago Modern Classics)

Trapped on her parents farm in the hardscrabble Australian outback, sixteen-year-old Sybylla Melvyn loves the bush but not the toil it brings. She longs for refinement, and most of all she longs to achieve great things. Suddenly she falls under the gaze of wealthy, handsome Harry Beecham . . . and finds herself choosing between the conventional path of marriage and her plans for a brilliant career.
