

COLORADO TEST PREP PARCC Practice Book Mathematics Grade 4: Covers the Performance-Based Assessment (PBA) and the End-of-Year Assessment (EOY)

New and Updated for the 2014 Standards and the New 2014-2015 State Tests! In 2014-2015, Colorado's TCAP assessments will be replaced by the PARCC assessments. This book has been developed specifically to prepare students for the new PARCC assessments. It includes two full-length Performance-Based Assessments (PBA) and two full-length End-of-Year Assessments (EOY). It includes practice for all the tasks students will encounter on the real PARCC tests. Complete Preparation for the PBA and the EOY - Includes two PBA practice tests and two EOY practice tests - Each practice test mimics the content of the real assessments - Prepares students for all the question types found on the PARCC tests Developed Specifically for the New PARCC Mathematics Assessments - Covers the same Common Core skills assessed on the PARCC assessments - Provides practice completing selected response, constructed response, and computer-based questions - Includes more advanced questions to reflect more rigorous PARCC tasks - Includes additional practice for the new complex tasks that require expressing mathematical reasoning and modeling or applying skills

One Book, Six Key Benefits - Build confidence by using the tests to improve student performance - Reduce test anxiety by allowing the student to practice taking the test - Ensure students are comfortable with a range of question formats - Introduce students to the new complex tasks found on the PARCC tests - Help students prepare for the more rigorous Common Core assessments - Use the full answer key and skills list to identify gaps in knowledge and target revision accordingly
