

Nimble with Numbers, Grades 5-6: Engaging Math Experiences to Enhance Number Sense and Promote Practice (Practice Bookshelf)

These lively and interesting math activities provide meaningful practice of those high priority skills necessary for number sense, operation sense, and number competency! Games, computational skill checks, and independent activities - all in fun formats that will attract and hold kids interest! Includes activities for individuals and groups as well as a home-connection for each section, and an answer key in the back of the book!
