

No Mans Island

On a wild, windswept island, the secrets of the past unravel...When the news of the death of her ex-husband reaches Binnie, it seems that her tranquil life in the West Country must come to an end. He had left her the island in the beautiful archipelago off the coast of Cornwall where he had spent his childhood. Binnie has to take her family to the island, revisiting it for the first time in years, and work out what to do. Leaving behind the mysterious stranger who had turned up in the village only the day before, Binnie has to embark upon a whole new life.
