

## No One Thinks of Greenland: A Novel

You'll want to scratch. These spoken words open to us the strange and beguiling world of young Rudy Spruance, forced to join the military due to a mysterious past, and sent for some inexplicable reason to a top-secret military hospital in Greenland. There he meets a wide cast of unusual and colorful characters, outcasts and rejects all; begins to fall for the commanding officer's leggy and strong-willed girlfriend; and slowly uncovers the awful secret behind the portion of the base dubbed the Wing.
