

Broken Soldier

Sergeant Connor Finley and Sergeant Shawn Weller are dedicated soldiers working covert ops for Shadow Unit -- a joint Uk/Us anti-terrorism task force. Partners in the field and out, they had been through hell together for the last four years and made it through standing side by side. But when their latest undercover op to bring down an arms dealer plunges them into a world of drugs, sex and violence, Shawn must literally get in bed with the enemy in order to complete the mission. And Connor is forced to watch, helpless, as his partner is broken into pieces. Will love be enough to put them both back together or will this be their final mission? Warning: Contains scenes of drug use, graphic sex and realistic situations
