

Ode to Travel: Journey of a Poet

Ode to Travel, Journey of a Poet is the work of author Dana Stiles. During her wanderings she will take her readers down the paths she has traveled and knock at some doors that has yet to be opened. With optimism she has treaded rocky ground, and tiredly searched for a smoother path. Some lightly thought of notions can turn bemusedly toward questioning the inevitable avenue to death, and her curious approach to thinking about it. Like her, you might agree that between light and darkness there exists marvelous possibilities, which lay outside of certainty. And that is where trouble and joy create life.
