

## The Quarry: Essays

The Quarry presents new and pivotal Susan Howe prose pieces. A powerful selection of Susan Howes key essays, The Quarry moves backward chronologically, from her brand-new Vagrancy in the Park (about Wallace Stevens) through essential texts such as The Disappearance Approach, Personal Narrative, Sorting Facts; or, 47 Ways of Looking at Chris Marker, Frame Structures, and Where Should the Commander Be to end with her seminal early art criticism, The End of Art.
