

Once Is Not Enough

The spectacular bestseller from the author of VALLEY OF THE DOLLS. Once upon a time, the entertainment industry was a world that never slept. Magazine editors, models, pop stars and all the rest visited vitamin doctors to get the shots that would allow them to stay up all night and then work all day in offices decorated with beanbag chairs and Calderesque mobiles. In this world, January Wayne goes from poor-little-rich-girl to grown-up swinger, as she searches New York and Los Angeles for a guy just like Mike Wayne, the glamorous movie producer, who also happens to be her father. SPECTACULARLY SUCCESSFUL. There are plane crashes, drug orgies, motorcycle accidents, mass rapes, attempted abortions, suicide, evil doctors and other assorted activities; and I couldn't put the damned thing down. Library Journal [Susann's] pulp poetry resonates to this day. WITH HER FORMULA OF SEX, DRUGS, AND SHOW BUSINESS, Susann didn't so much capture the tenor of her times as she did predict the Zeitgeist of ours. Detour
