

Rounds of Life

Tristan Mundy has a very nice life. The son of a wildly successful and powerful attorney, Tristan lives in Belle Harbor, a wealthy community right on the ocean and far away from the many harsh realities of the outside world. But money can't protect Tristan forever. When a terrible storm devastates Belle Harbor and strips him of everything he knows and loves, Tristan has no choice but to go to live with his uncle, Jeff. Estranged from his family, the alcoholic Jeff is completely unprepared to take on the responsibility of raising his angry, spoiled, and grieving young nephew. With nothing in common, the two are in danger of drifting even further apart when Jeff stumbles upon an unlikely activity to bring them together: boxing. But just as Tristan finds his footing in and outside the boxing ring, tragedy strikes once more, threatening to knock him out completely. A story of loss, self-discovery, and the process of growing up and finding your way in the world, *Rounds of Life* is an exciting coming-of-age story for anyone who has ever fought their way back from despair.
