

Ravens Song A Haven Novel Book One T1 Generation (Haven Novels 2)

The next generation has come into its own. Raven, Savannahs impulsive, impetuous daughter has begun her own epic journey. Raven was born in a time of turmoil and war. She decides her calling in life is to be a soldier. Sacrificing the shelter and security of Haven, Raven puts herself at risk to save others. She finds herself in perilous situations and thrust into the role of leadership despite her own misgivings. The Sirens Song of Haven is continuously singing to her. She could be safe, protected, sheltered and warm if she returned to Haven and its stone walls. But, is it her destiny to live in the walls of Haven, or is there another destiny in store for this child of Haven?
