

Q&A European Union Law 2009-2010 (Questions and Answers)

Routledge-Cavendish Q&As your path to exam success! Has the thought of facing your law exams left you feeling completely overwhelmed? Are you staring at the mountain of revision in front of you and wondering where to start? Routledge-Cavendish Q&As will help guide you through the revision maze, providing essential exam practice and helping you polish your essay-writing technique. Each Routledge-Cavendish Q&A contains 50 essay and problem-based questions on topics commonly found on exam papers, complete with answer plans and fully worked model answers. The titles are written by lecturers who are also examiners, so you can recognise exactly what examiners are looking for in an answer. Key cases and legislation are highlighted within the text for ease of reference. Boxed answer plans after each question outline the major points you should be aiming to convey within your answer. The books in this series are supported by a companion web offering you bonus q&as; advice on preparing for your exams; revision checklists; discussion forums and more. But don't just take our word for it! The book was an answer to my prayers. I've been begging tutors to give us ready-made answers so we get a structure as to what we should be including and revising and the Q&As do exactly that! Azmina Thanda, 2nd year LLB. The Routledge-Cavendish Q&As are very well designed and helpful, giving a good indication of what comes up in exams. Deaglan McArdle, 3rd year LLB.
