

## Random Targets (DCI Jeff Temple)

FROM THE BESTSELLING AUTHOR OF MALICIOUS AND AFTER THE EXECUTION JUST PRAY IT NEVER HAPPENS...A sniper launches a series of deadly attacks on Britains motorways, striking in the dark during rush hour and causing total carnage. No one knows who he is, or why hes doing it, but, as the death toll rises, fear grips the entire nation. Its up to DCI Jeff Temple of the Major Investigations Team to bring the killing spree to an end but, as he closes in on the sniper, Temple makes a shocking discovery about the motive behind the attacks. A ghastly precedent has been set and Temple soon realizes that in future anyone who drives on Britains motorways risks becoming a random target.
