

Drowning Demons: A Raven James Novel

Raven James is a wandering spiritual medium whose only escape is to drink the spirits away. Finding himself in a small town where almost no living person knows his name, Raven and his bartender companion Benny Cavoto become relatively successful not making a name for themselves by quietly helping ghosts cross over. Unfortunately, Ravens reputation keeps him from being completely invisible as non-believer Tom Geideman desperately seeks out Ravens expertise. Even though exploring haunted nightclubs is not his usual shot of whiskey, he figures the job will earn him some more beer money, so he reluctantly agrees. But once his sixth sense has an eye on the decades old former mob hang out, Raven realizes this is no kiddy cocktail
