

Femme Fatale Finale: Pericolo #4 (The Pericolo Series)

Book FOUR in The Pericolo Series. This is the FINAL book in the series. Once Amelia Abbiati, always Amelia Abbiati. Its what makes this situation ironic. Theyve taken me from my idyllic life, threatened it, and think Ill just roll over and die. They dont know me. Ill make it hard for them. I wont go down without a fight. I wont lose who I am at their will. Ill smile until the end because Ill only die on my say so and not theirs. *** Theyve touched whats mine. And think theyll get away with it. Im a dangerous man now theyve touched the most precious things in my life. They think theyve dealt with Abbiati Anarchy, but they dont know whats coming for them. This is war. **This is the darkest of the Femme Fatale books. Please note it has themes of torture and violence throughout. Meant for mature readers!
