

Futanari Fairies Collection

Futanari Fairies: Rose - You look nervous my queen. A slow smile crossed Rias lips. Perhaps we can think of some way to help you take your mind off of your troubles. She kissed Rose again and slid her hand in between the royal thighs. Rose is a shy but beautiful woman who has always loved nature. She thought she was alone when she slipped into a clearing in the woods to explore her sensual desires, but a beautiful blonde with a sexy secret of her own appeared out of nowhere to whisk Rose off on a steamy adventure in another world.

Futanari Fairies: Poppy - Im trying hard to resist you, but you arent making it easy. She leaned back into his chest and whispered into his ear. Good. The portal between the fairy world and the human world is now open and Poppy is the first to venture through in order to find true love. But Poppy craves what no other fairy before her has had. She wants to experience the love of a man. After a disastrous start, she finally meets Owen, the sensuous baker who steals her heart.

Futanari Fairies: Daisy - The water is ready, shall we get into the bath? I want to wash you. Olivia whispered a barely audible Yes. Olivia knew fairies were real, but everyone around her thought she was insane so she set out to get photographic proof. She finds her way into the fairy kingdom, but what she photographs, arouses more than just journalistic curiosity. Daisy is a beautiful and kind fairy duchess. Her heart is filled with passion but it will take a special lady from the other side to unleash it.
