An immediately gripping, expertly woven tale of pain and healing. Ledger is a brilliant writer. -Elin Hilderbrand Simon and Emily Bear look like a couple who have it all. Simon is a respected doctor; Emily shines as a public relations expert who spins away her corporate clients mistakes. Yet as their 13-year-old daughters troubled summer reveals, all is not perfect inside this home. Simon has stumbled upon an obscure drug that may revolutionize the treatment of pain. In his excitement, he barely notices that Emily is seeking relief from the familys tragic past. And neither fully realizes how much danger their daughter is in. Soon, everything they have will be on the brink of collapse, and there will be no masking the symptoms or hiding the truth any more. Watch a Video
