

Return 2 Terror: With Love

Synopsis: Lieutenant Commander John Graves and SEAL team four are sent to the Middle East in a covert operation to destroy three weapons of mass destruction stolen from the Israelis. Upon reaching their destination, only one thermal displacement device is found and the mission is a failure. Thousands, perhaps millions of American lives back home are at stake. Once back in the U.S., Graves is forced into the FBI, since he's the only American who has seen and handled the destructive device. He teams up with lesbian Senior Special Agent Jill Mayfield, and together they track the team of terrorists from Canada to Montana, Las Vegas, and California, following a trail of death. As their search continues, they have several run-ins with Tony Santini, head enforcer for the L.A. mob. Graves and Santini become instant enemies. Imaad, one of the terrorists, is an insane, cold-blooded killer. In the book's explosive climax, shocking events occur that bring on the final showdown between John and Jill, Imaad, and Tony. Return 2 Terror with Love pulls out all the stops in a thriller you won't soon forget.
