

ROMANCE BREWED ON WALL STREET: Gay Romance Short Story

That Friday after work he found himself wondering off to a gay bar. He regularly passed by the place after work and today he thought he might as well go in. He was just settling down at the bar, beer in his hand when he suddenly heard a voice he thought he recognized. He turned his eyes and looked straight at Greg. This is just fantastic, this guy is everywhere! I can't even have a drink in peace after work, thought Clarke. Greg offered to buy him another drink. Clarke was taken aback by the move, and suddenly he found himself socializing with the boss he thought hated him. So what are you doing here? Clarke asked Greg. Greg glanced back harshly, almost as if he was trying to tell Clarke the situation was self-explanatory. No straight man walks into a gay bar and orders a drink.
