Boardroom Seductions: MMF Bisexual Erotica Farrah is climbing the corporate ladder on her way to an executive position within her company, but finds herself distracted by her two incredibly hot office mates, Maxwell and Darian. The sensual tension between the three of them as they sit in meetings is often too much for Farrah to bear, and she regularly retreats to her office, locks the door and finds some release through solo pleasure. The three co-workers need to complete a project together, which forces Farrah to confront her desires for the two guys head-on. Farrah gets the surprise of her life as she the guys invite her to explore a world of forbidden pleasures with them. Will Farrah let go of her inhibitions and dive into some double fun? How far to the edge will Maxwell and Darian take her into a new world of naughty taboos?

WARNING: These stories are super hot with explicit scenes of desire and passion that do not leave much to imagination. This ebook is intended for adult eyes only!!
