Including: Forbidden Fruit - Book One: Step Back Excerpt: She boldly reached between them, shoving a hand between his legs, and stroked him roughly through his pants. He clenched his teeth and pushed her hand away, reaching for his fly and taking out his cock. Callie reached for the waistband of his pants and pushed them down around his ankles so he could kick them off. She had her jeans peeled from her body before his pants hit the floor, and she stretched beneath him, shameless in her nudity as his eyes drank her in and nearly choked. Lucid - Office Party Group Love, Threesomes Menage Romance, Multi Partner Sharing Excerpt: Everyone cheered at the first kiss of the evening, the proverbial gunshot into the air that was their permission to start screwing. It was surprising actually, as the kiss took place between Gary and Robert, whom no one really knew swung that way, although they were all soon to realize that every single person in that office secretly swung every way. The fucking began. The Offenders - Iron Rod Alpha Male, Superhero Parody, Science Fiction Romance Excerpt: In reality, though, she was simply turned on beyond belief at the notion of being fucked by a billionaire, and perhaps doubly so at the notion of being fucked by a billionaire in a powerful metal suit with an electronic robo-penis. And thus, only a few minutes later into what shed thought for sure was about to turn into the worst day of her life, she was in the posh, plushy, and mighty damn expensive bedroom of eccentric billionaire Rodney Dowel Jr. Paranormal Traveler - A Prince Of Plenty Science Fiction Romance, Coming of Age Woman Excerpt: Keegan swept her into his arms like some knight valiantly saving the lady in distress and carried her to the bed, which rose high off the floor. As she leaned back

and drew him with her, Maggie watched the ceiling of beams and buttresses above her disappear, leaving a perfect night sky with thousands of twinkling stars and not a cloud in sight. She saw their reflection in the prince's eyes and knew this world of fantasy was going to be one of her fondest memories. Fifty Floors of Passion - The Presidential Suite Billionaire Alpha Male, First Time Romance, Younger Woman Older Man Excerpt: In one hand, he held a single blood red rose and she stood there, unsure of what she should do. He raised one hand and gestured for her to come to him. Her panties became sodden immediately. This stunning creature before her was there for her pleasure and her pleasure alone. The thought of what tonight was going to bring made her head swim with delight.
